## 1. Logging in

In order to Log in to the e-learning platform DELTA, after reaching the site <https://delta.pk.edu.pl/>, we have to click the [Log In](#) button.

### 1.1. Logging in with @pk.edu.pl account

If we have a @pk.edu.pl account (e.g. used to access a Microsoft account as part of our university) then in order to log in we have to click [Login with ADFS PK](#).

The activation process, regarding the Microsoft Office account, is described on the DI site <https://di.pk.edu.pl/uslugi-office-365-dla-studentow-en/>.

After that, we will be sent to a new window where we have to type in our email address and a password (the same information, as the one used to log in into the Microsoft account – e.g. to access Teams). Once done, we will be automatically signed onto our DELTA account.

## 1.2. Logging in without @pk.edu.pl account (more common for Erasmus students)

More commonly, an Erasmus student will use the right hand side of the screen to log in. In this case, we have to type in our **Username** and **Password** provided by the person who ordered accounts for that particular group of students.

Returning to this web site?

If you are CUT student, teacher or employee

To reset your ADFS PK password please visit Office365 bookmark on [di.pk.edu.pl](http://di.pk.edu.pl)

If you are Outsider, Erasmus or postgraduate student please login with Internal Delta Credentials:

## 2. Password recovery

### 2.1. Password recovery for [pk.edu.pl](https://pk.edu.pl) accounts

In case we lose or forget our password, the DI site <https://di.pk.edu.pl/uslugi-office-365-dla-studentow-en/> provides a link to a form allowing users to reset their password.

Office 365 Education Online services for students of the Cracow University of Technology

Every student of the Cracow University of Technology has the possibility to use the OFFICE 365 Education Online package (including email with the address in the [student.pk.edu.pl](mailto:student.pk.edu.pl) domain / [mck.pk.edu.pl](mailto:mck.pk.edu.pl) for MCK) free of charge as soon as the service has been activated.

**ACTIVATION OF OFFICE 365**

Rules of using Office 365 by the Cracow University of Technology students:

- All students are entitled to use Office 365 services throughout their studies.
- According to the Office 365 terms and conditions for educational institutions, one person can use only one subscription package.
- The user may use Office 365 services only within the limits of the applicable external law and internal normative acts, regulations and rules in force at the

If you already have an active account, you can use Office 365 Online.  
[Go to Office 365](#)

If you do not remember your username or password to Office 365 Online go [HERE](#).

**INFORMATION ABOUT OFFICE 365 ONLINE**  
 OFFICE 365 Online is a collection of applications and

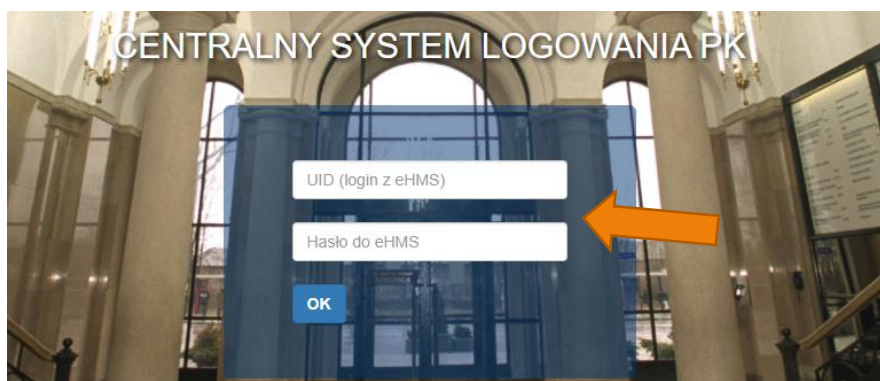

Account activation – Students

[Reset password](#)

**SUPPORT**

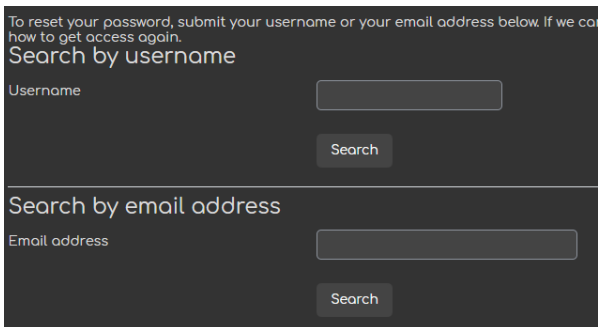

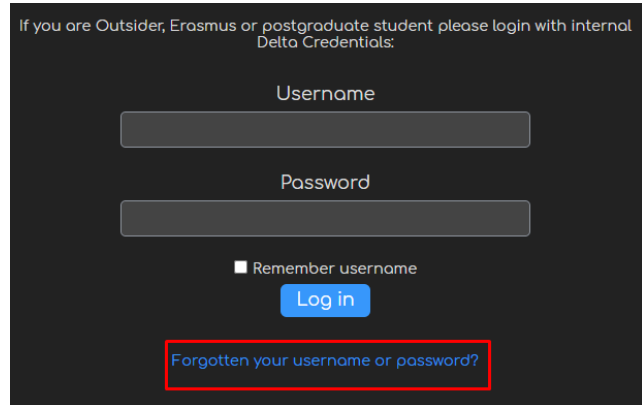

- The account will be activated **after about 60 minutes**. When the service is activated you will be able to log in [HERE](#).
- Forgot your Office 365 username? Click on the link "Reset password" in the frame above and after you get authorization from the Cracow University of Technology Central Login System (UID and password from the Virtual Dean's Office – eHMS) your Office 365 username will be displayed on this page.
- Forgot your password for Office 365 online? Click on the link "Reset password" in the frame above and after you get authorization

After clicking the [Reset password](#) button we must provide our eHMS login and password in order to continue.

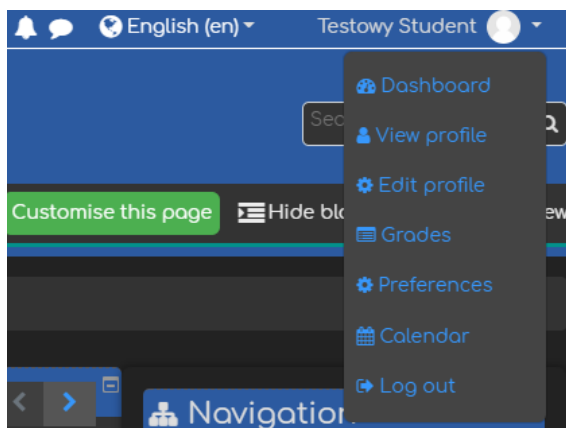

## 2.2. Password recovery for users without @pk.edu.pl accounts

If we lose or forget our password, below the log in button we can find a link to a form allowing users to reset it - [Forgotten your username or password?](#).

After clicking it, we have to provide either our [Username](#) or [Email address](#) connected to our account. Once done, an email will be sent to it with further instructions in order to regain access to our account.

## 3. Basic options available for each user

In the right upper corner we can find options connected to our account. First of all, we have an access to [Notifications](#) and [Messages](#) from other users, as well as an option to change the language from (or into) English. In addition, from the drop-down menu we can access our [Dashboard](#) (overview of courses to which we are enrolled), [Profile](#), [Grades](#), [Calendar](#) and the [Log out](#) button.

## 4. Finding out a particular course

### 3.1. First access to a course

Access to any course on the platform is restricted by their author while setting it up. As a result the way in which any student can or is enrolled into it depends on individual settings. The most commonly used method revolves around an **Enrolment key** (for a particular course), but in some cases the professor might manually enroll each user (in that case each student will immediately have access to that course).

When it comes to the **Enrolment key**, it is usually distributed in two ways:

- A professor might send (e.g. via email) a **Link** to their course with the required **Enrolment key**. In that case, all we have to do is click the attached **Link** and after accessing our account provide the **key** included in the message.

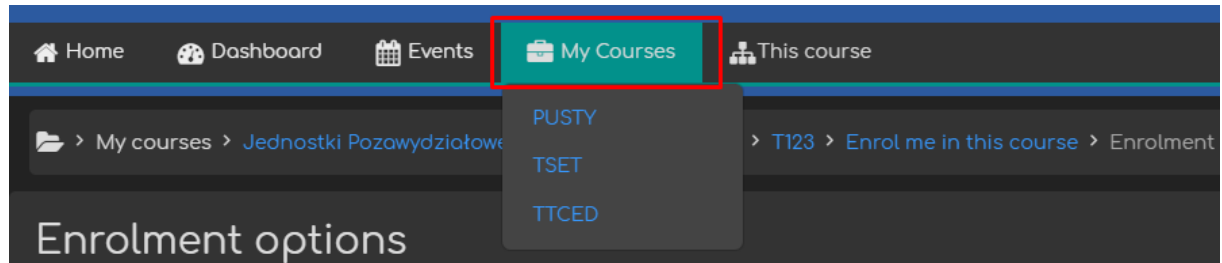

The screenshot shows a dark-themed interface titled 'Enrolment options'. At the top, it displays 'Testing123' with a trash icon. Below this, it lists 'Manager: Tomasz Tataruch' and 'Teacher: Tomasz Tataruch'. A red rectangular box highlights a section titled 'Self enrolment (Student)'. Inside this section, there is a text input field labeled 'Enrolment key' and a button labeled 'Enrol me' at the bottom right.

- A professor might also send the **Course name** and the required **Enrolment key**. In that case we have to find that particular course on the list or by typing its name in the search bar. After finding that course, all we have to do is provide the **key** included in the message.

The screenshot shows the Delta PK e-learning platform homepage. At the top, there is a blue header with the 'delta' logo and the text 'Platforma e-learningowa Delta PK'. A search bar labeled 'Search Courses' is highlighted with a red box. Below the header, there is a navigation bar with icons for 'Strona domowa', 'Kokpit', 'Wydarzenia', and 'Moje kursy'. The main content area features a 'Kategorie kursów' section with a list of departments: 'Wydział Architektury (7)', 'Wydział Informatyki i Telekomunikacji (8)', 'Wydział Inżynierii Elektrycznej i Komputerowej (5)', 'Wydział Inżynierii Lądowej (32)', and 'Wydział Inżynierii Materiałowej i Fizyki (2)'. A red arrow points to the 'Wydział Informatyki i Telekomunikacji' category. On the right side, there is a 'Nawigacja' sidebar with links to 'Kokpit', 'Strona główna', 'Strony', 'Moje kursy', 'Jednostki Pozawydziałowe', 'Różne', 'Kursy', and 'Pomoc Techniczna / Zgłaszanie błędów'.

### 3.2. Access to a course where we are already enrolled

If we want to access a course, where we are already enrolled, all we have to do is click its short name in the [My Courses](#) tab on the top of the screen.
